A Win-Win for Local Business

Partnering with Ripco's **Community Cash Back Program** is more than a promotional boost — it's a celebration of buying local.

By offering **5% Cash Back** to Ripco members who shop with you, you're not just attracting more foot traffic, you're building lasting relationships with a loyal customer base who values keeping their dollars in the community.

Community Cash Back Program

Community Starts Here

At Ripco, we believe in supporting the people and places that make the Northwoods thrive.

That's why we created our **Community Cash Back Program**—a win-win collaboration between Ripco and local small businesses like yours.

When you join the program, every time a Ripco member uses their Ripco Cash Rewards Visa card at your business, they'll earn 5% cash back—automatically.

It's our way of rewarding members for shopping local, and bringing more foot traffic, visibility, and loyalty to our neighborhood businesses.

No hoops. No extra costs. Just real rewards—right here at home.

What's In It for You?

More traffic. More visibility. More reasons to shop local.

When your business joins Ripco's **Community Cash Back Program**, you're not just offering a perk—you're plugging into a full-scale promotional effort designed to bring more members through your door.

Here's what you can expect:

- **Free Marketing:** We handle the promotion—online, in-branch, and across our communities—so you can focus on what you do best.
- **Exclusive Branding:** You'll receive a Community Cash Back window cling to display proudly, letting Ripco members know they'll earn 5% cash back at your location.
- **Flexible & Hassle-Free:** There's no special equipment, no training, and no additional cost to you. You just keep doing business as usual—we take care of the rest.

Any small business can join. All you need is a desire to grow—and a passion for your local community.
